Dear Mr. Alden Crowley,

Thank you for your donation of books to the youth of the Hualapai Tribe in Peach Springs, AZ.

We have limited funds to buy books for our local library and we know that our Peach Springs School District needs library books also. We will share the donated books with the Hualapai Headstart Program and the Daycare Center, and the Boys and Girls Club.

We are encouraging literacy among our families and this is the right time for our tribe to receive these books.

May the Creator bless you and your foundation.

Sincerely,

Lucille J. Watahomigie, Director

Photos of recent programs are on Another Joy Foundation Facebook.

Working in the aviation industry, I am blessed to have the privilege to travel around the world. In 2006, I delivered an empty Boeing 737 commercial aircraft to Cambodia. Only myself and two pilots were on board the aircraft.

Each time I enter a new Country I make sure that I put time aside to visit historical sites. I have visited over 40 countries, seen many different things, but I have never experienced nor had the opportunity to connect emotionally with the children that I was able to spend time with in some of the villages in Cambodia. It inspired me and made me come to the realization that the next aircraft that I deliver will not be empty!

When I got home from Cambodia, I shared this idea with my wife Nadia and family. Knowing how fortunate our child is, seeing how our son is so blessed in every aspect of his life, we wanted to share his Joy with other children around the world. That's what stirred up a passion to dedicate countless hours to positively impact as many unfortunate children and families as we could.

Join our mission!
